## **DALEY LABOR RULES OUT STADIUM PRIVATISATION**

Daley Labor tonight ruled out any suggestion of privatising Allianz Stadium or the Sydney Cricket Ground at Moore Park.

Opposition Leader Michael Daley said this evening that consistent with his long-standing position, a Daley Labor Government would not gift a cent of taxpayers' money to refurbish Allianz Stadium but would explore a range of options including an offer of a concessional Government loan to the SCG Trust for the renovation or rebuild of Allianz Stadium.

The loan would be paid back by the Trust on favourable terms.
